THIRSTY THURSDAYS

NON-DOSED SAMPLES RIGHT TO YOUR STORE

<https://pdfify.app/info>

HOW IT WORKS

1. Email us and let us know you want in (just reply to this email!). Tell us what store you're from and what CP beverages you currently carry.
2. We'll send you a case (or two!) of our non-dosed beverages. We have several flavours from our top-selling portfolio available.
3. Once they arrive at your store, offer them to your customers as a thank you or as a way to let them sample before you buy, Thirsty Thursday sounds cool – but we don't care what day of the week you run the sampling. Ideally, one that ends in Y.
4. Take a photo each time you give out a can (or as much as you can, we know you're busy) and tag us on Instagram or LinkedIn!
5. The store that tags us in the most photos wins a custom artist sweater for the whole team with your store and CP branding.
6. We'll pick a retail winner at the end of each month, and release new samples along the way!
